A. M. ROSS, Treasurer.

Superintendent of Schools Report.

To the S. S. Committee and Citizens of the Town of Lincolnville.

I hereby submit my report as Superintendent of Schools.

The work in our schools for the past year with one exception has been very successful. This shows that we are improving.

Several new books have been added viz: Histories, Business Spellers, Elementary Arithmetics and the Progressive Course in Reading which has aroused a new interest both in teachers and pupils.

I would suggest that copies of Montgomery's Leading Facts be obtained for the seventh and eighth grades.

Six of our teachers have attended the County Convention and four of them attended the State Convention.

Our pupils have taken great interest in drawing.

In closing I wish to thank the teachers for their faithful and painstaking work, the parents for the interest they have manifested in visiting schools and the Committee for their kindness and courtesy shown me for the past year.

Table showing the whole and average attendance in the several schools.
